Cantonments, Accra - Ghana | +233548572694 | patienceedah@gmail.com | Github | LinkedIn

## EDUCATION

---

### KWAME NKRUMAH UNIVERSITY OF SCIENCE AND TECHNOLOGY

Bachelor of Science. Computer Science - First Class honours

Kumasi, Ghana

November 2023

## WORK EXPERIENCE

---

### DEVELOPERS IN VOGUE

Software Engineering Trainee

Accra, Ghana

February 2025 – Present

- Gained hands-on training in modern front-end technologies including HTML, CSS, JavaScript, TailwindCSS, and React.
- Built multiple responsive and user-friendly websites to solidify core web development concepts
- Developed interactive web interfaces using JavaScript fundamentals and DOM manipulation.
- Practised version control and collaboration using Git and GitHub throughout development projects.
- Built server side applications using Node js, Express and MongoDB

### GHANA ARMED FORCES (Stationed at 37 Military Hospital)

IT Support, National Service Person

Accra, Ghana

November 2023 – September 2024

- Provided comprehensive support for the hospital's assets, including troubleshooting and resolving issues with laptops, desktops, mobile devices, and printers
- Maintained office network infrastructure, ensuring operational efficiency, security, and optimisation of switches, firewalls, and printers

## PROJECTS

---

### DEVCOLLAB

- Building a full-stack platform enabling developers to discover open-source projects, connect with collaborators, and initiate real-time development partnership using React, Node.js, Express, MongoDB

### PRODUCT CATALOG WITH CART FUNCTIONALITY

- Built a responsive product listing page with an intuitive UI and a fully functional shopping cart using React, CSS/Styled Components, and Context API for state management.

### DEVJOBS

- Built a web application showcasing job opportunities with a user-friendly interface. The application features Dark and Light modes that provide users with a customisable visual preference. I also implemented responsive design, which ensures seamless browsing across devices, enhancing accessibility and user experience.

## ACTIVITIES

---

### COMPUTER SCIENCE SOCIETY, KNUST

General Secretary, Member of College Senate

Kumasi, Ghana

2021/2022 Academic Year

- Managed all official communications and coordinated society activities, ensuring smooth execution of events and meetings.
- Organised workshops and events that enhanced the technical skills of society members, contributing to their academic and professional development.
- Actively represented the interests of Computer Science students, contributing to decision-making processes within the College of Science Senate
